Eucharistic Miracles Exhibition

Vatican International Exhibition of Eucharistic Miracles of the World started in the United States in 2006 with the mission for it to be show- cased throughout the world. It was first shown in the United Kingdom at the Church of the Good S h e p h e r d , Nottingham, under the guidance of the parish priest Fr Philip Ziomek, during the weekend of 18-20 May 2012. It proved a great success, visitors making special trips to visit, a great sense of community spirit was present with many commenting how it has deepened their understanding of the "Real Presence" of Our Lord in the Eucharist.

In addition to the daily Eucharistic Miracle of Our Lord Jesus Christ on every altar in every catholic Church throughout the world, the Eucharistic Miracle Exhibition founded on over 100 extra-ordinary miracles over the last 1300 yrs, from several episodes of the Eucharistic Host bleeding, and being transformed into heart tissue, as well as episodes of Eucharistic levitation, illumination and resistance to decomposition over several centuries.

Alongside the Exhibition was the DVD showing of the newly released series, "Catholicism" by Fr Robert Barron as well as a highly recommended DVD, " "Eucharist" by Fr Robert Barron, a must see for every catholic.

We were graced with a visit from Bishop Malcolm McMahan who spent time going round the Exhibition, enjoying the hospitality of the Good Shepherd community, indulging in some cream scones and tea! The Dean of the St Barnabas Cathedral, Fr Geoffrey Hunton also paid a visit, also taking time to visit Our Lord during Exposition. Fr Robbie O'Callaghan gave an informative talk on his experience of the Real Presence of Our Lord, as well as spending a very busy day with the Good Shepherd confirmation group, preparing them for their forthcoming Confirmation mass, the youngsters visiting the Exhibition as well. The Exhibition was attended by approximately 700 visitors, all contributing towards the wonderful time experienced by all.
